

The fastest and most effective way to learn a new language!

Is your company looking for a highly creditable, but also a reasonably priced language course? We can offer you exactly what you need. **teaching team berlin** has developed a teaching method that guarantees 'painless' and effective results in the fastest time possible.

teaching team berlin is a mobile language school for German, and for all other foreign languages: Our clients can determine exactly when, and where, learning sessions will take place. Our trainers are available in the mornings, evenings and even in your company's lunch breaks.

Our on-line tutoring provided by specialised on-line tutors, also guarantees uninterrupted learning, even when sessions on site can't take place due to business trips.

We can design an individual learning program to tailor to your specific needs:

- Custom-made texts with accompanying audio material
- Videos and DVDs
- Learn-software
- Literature and specialist journals
- Establishing of a Media library in your company

teaching team berlin does not rely on learning grammar rules by heart. We guarantee the autonomous and intuitive use of the target language by using a method based on the latest results of both neurological research, and the psychology of learning. Our individual and intense learning method will also help you to acquire a wide vocabulary in a fun and enjoyable way, reaching your goal as quickly as possible: Communication in a new language.

Our trainers are experts in learning techniques. "We teach you how to learn" – a skill that is not taught in school, or at university.

We will regularly check your progress, and advise you how to get the best out of your language course according to your goals.

➤ Language courses in:

Arabic, Chinese, German as a foreign language, English, Italian, French, Korean, Japanese, Polish, Russian, Turkish, Spanish.

Would you like to learn a language not mentioned above? No problem. Simply contact us and we will provide expert trainers for whatever language you require.

➤ Online-Tutoring:

Are you often on business trips, or perhaps you need flexible course times? Not a problem, either. Our online-tutoring-program guarantees language learning from anywhere in the world. Our highly-trained on-line-tutors can provide uninterrupted face-to-face training, as well as individual supervision.

➤ Language tours:

The finishing touch for polishing a new language can, of course, be achieved in your target country. We can organise everything for you!

➤ Translation, interpreting, proof reading:

Regardless of why you require another language, we are always on standby to give you the professional, discrete, effective and fast support you need.

➤ Culture:

Sometimes behaviour is more important than language. Even people in neighbouring countries can sometimes surprise or confuse us when they "think", "do" or "feel" differently than we do. It is even more important to have the "know how" about how to deal with indigenous people when we travel further abroad! To avoid frustration and even offence, we can train you to successfully deal with your business partners on all continents.

➤ „One Word a Day“:

Each day a new word via e-mail!

A convenient way to easily build vocabulary in your target language. Use this service yourself, or send a gift subscription to someone else.
